

## **Cookie notice**

Effective as of 14-03-2018

### *How does Frencken use cookies?*

Cookies can be required to make the website function properly. Cookies can also be used to analyse how our website is used, to count the number of visitors, to learn how the website may be improved. These cookies are called *analytical* cookies. Our website may use analytics cookies for:

1. keeping track of the number of visitors to our web pages
2. keeping track of the length of time that each visitor spends on our web pages
3. determining the order in which a visitor visits the various pages on our website
4. assessing which parts of our site need to be improved
5. optimising the website
6. requesting your feedback on specific parts of our website

### *Cookie settings*

Frencken websites offer you the possibility to set your preferences regarding cookies. You can change your preferences at any time. Please note that using the cookie settings on our website may not result in the deletion of any cookies that have already been set. You can do that via the settings of your web browser.
